Document No.: **CRPD/FINCOM/2026/PPE/A4** | Version 1.0 | 15 September 2026

*This document is a **FICTIONAL / TRAINING / SAMPLE** document created exclusively for testing an automated tender-evaluation system. All monetary figures, tax rates, bank details, company names and reference numbers are entirely fictitious. **NOT AN OFFICIAL GOVERNMENT DOCUMENT.***

SECTION A — COMMERCIAL TERMS AND CONDITIONS

1. BID VALIDITY PERIOD

- The bid, including the offered prices, commercial terms and all technical declarations, shall remain valid and irrevocably binding upon the bidder for a period of **one hundred and eighty (180) calendar days** from the Bid Submission Closing Date, i.e., from **22 October 2026** to and including **20 April 2027**.
- During the validity period, the bidder shall not unilaterally withdraw, modify or qualify its bid. Any such action shall result in forfeiture of the Earnest Money Deposit (EMD) and disqualification from this and future CRPD tenders for a period of three (3) years.
- CRPD reserves the right, in exceptional circumstances, to request an extension of bid validity prior to its expiry. Bidders who agree to an extension shall correspondingly extend the validity of their EMD / Bid Security. Bidders who do not agree shall not be penalised but shall not be considered further.
- Bid validity shall not be confused with offer validity or contract validity. Once a contract is awarded and signed, the bid validity period becomes superseded by the contract terms.

2. PRICE BASIS

- All prices quoted shall be on a **Delivery Duty Paid (DDP) / FOR Destination basis**, meaning delivered to and unloaded at: Central Stores, CRPD Depot, Sector-14, Gurgaon, Haryana — 122 001 (fictional), with all costs of packing, forwarding, freight, insurance, loading, unloading and delivery included in the quoted price.
- Prices must be quoted in **Indian Rupees (INR) only**. Bids quoting prices in foreign currency shall be treated as non-responsive.
- The price quoted shall be a firm fixed price. Price variation clauses, price-escalation claims or material-cost adjustment requests shall not be entertained during the validity period or the contract period, except where a specific price-adjustment clause is incorporated in the Special Conditions of Contract (SCC) by CRPD in writing.
- Prices shall be quoted separately for each line item in the prescribed Financial Bid format (Proforma FB-01). A lump-sum or combined price for multiple items shall not be accepted.
- Prices must be identical in both figures and words. In the event of a discrepancy, the price in words shall prevail.

3. TAXES AND DUTIES

- The price quoted must clearly indicate whether GST is included or is to be charged separately. CRPD shall not accept any ambiguity in this regard. A bid that is silent on GST treatment shall be returned as incomplete.
- All applicable Central and State taxes, cesses, levies and duties (including Customs Duty, if applicable) must be included within the DDP price, except GST which shall be shown separately as per Clause 4.

FICTIONAL PROCUREMENT TRAINING CASE | NOT FOR OFFICIAL USE | FICTIONAL / TRAINING / SAMPLE — NOT AN OFFICIAL GOVERNMENT DOCUMENT

- 4.2 CRPD, as a Government entity, is registered under GST (fictional GSTIN: 07AAAAA0000A1ZX). The supplier must quote CRPD's GSTIN on all tax invoices to enable CRPD to avail of Input Tax Credit (ITC) wherever applicable under law.
- 4.3 If the goods attract Integrated GST (IGST) or split CGST/SGST, the applicable rate(s) must be stated. As of the date of this tender, the fictional applicable GST rate for Items 1–5 is **18 %** (fictional). This rate is indicative only; the actual rate prevailing on the date of invoice shall apply.
- 4.4 The supplier shall file all GST returns accurately and in a timely manner and shall ensure that the tax charged to CRPD is duly deposited with the Government. If any GST ITC is denied to CRPD due to the supplier's default, the equivalent amount shall be recoverable from the supplier's dues or Performance Bank Guarantee.
- 4.5 In the event of any GST-rate reduction by the GST Council after the date of Contract Award, the benefit of such reduction shall be passed on to CRPD by way of a reduction in the invoice value, and the supplier shall issue a Credit Note accordingly.

5. PAYMENT TERMS

- 5.1 Payment shall be made by CRPD through the Public Financial Management System (PFMS) / NEFT / RTGS to the supplier's designated bank account within **thirty (30) working days** of receipt of a complete and undisputed invoice accompanied by all required delivery documents.

- 7.2 The maximum aggregate LD payable shall not exceed **10 % (ten per cent)** of the total value of the delayed portion of the contract. Once the maximum LD has been levied, CRPD shall have the right to cancel the contract and procure the balance quantity from alternative sources at the risk and cost of the defaulting supplier.
- 7.3 LD shall be recovered by deduction from any amount due and payable to the supplier. If such dues are insufficient, CRPD shall encash the Performance Bank Guarantee to the extent of outstanding LD.
- 7.4 LD shall not be levied for delays caused solely by Force Majeure events as defined in Clause 7.5 below, provided the supplier gives written notice within 7 days of occurrence.
- 7.5 **Force Majeure** shall mean events beyond the reasonable control of either party including acts of God, war, civil disturbance, fire, flood, earthquake, epidemic (declared by competent authority), Government-imposed lockdown, or national strike. Beyond 20 weeks (LD cap reached)	No additional LD; CRPD may cancel and procure at risk and cost of supplier	Risk-purchase differential recoverable from PBG / dues	Risk-purchase differential + LD cap

8. PERFORMANCE SECURITY (PERFORMANCE BANK GUARANTEE — PBG)

- 8.1 The successful bidder (hereinafter "Supplier") shall, within **fourteen (14) calendar days** of the date of issuance of the Letter of Intent (LOI) / Supply Order, furnish a Performance Bank Guarantee (PBG) from a Scheduled Commercial Bank (as defined under the Reserve Bank of India Act, 1934) for an amount equivalent to **5 % (five per cent) of the total contract value**.
- 8.2 Based on the estimated contract value of **₹ 4,75,00,000/-**, the indicative PBG amount is **₹ 23,75,000/- (Rupees Twenty-Three Lakhs Seventy-Five Thousand Only)**. The actual PBG amount shall be calculated on the final awarded contract value.

9. WARRANTY

- 9.1 The Supplier shall warrant that all goods supplied under this contract are new, unused, of the most recent model, free from defects in design, materials and workmanship, and shall conform fully to the Technical Specifications (Schedule-II, Document CRPD/TECHSPEC/2026/PPE/A3).
- 9.2 The warranty period shall be **twenty-four (24) months from the date of final acceptance** of each delivery instalment as recorded in the Goods Receipt Note (GRN). The warranty period for each lot shall commence independently from the GRN date of that lot.
- 9.3 During the warranty period, the Supplier shall, at no additional cost to CRPD, repair or replace any defective goods within **thirty (30) calendar days** of written notification by CRPD. Where repair is not feasible, full replacement shall be effected.
- 9.4 If the Supplier fails to carry out warranty repairs / replacements within the stipulated thirty (30) days, CRPD shall be entitled to carry out the repairs / procure replacements at the Supplier's cost and recover the expenditure from the PBG or outstanding dues.
- 9.5 Warranty obligations for ballistic body armour panels (Item 2 — Spec. FPS-2026-B02) shall additionally include a **five-year ballistic-performance guarantee**, backed by a manufacturer's certificate. Annual performance certification tests shall be conducted at the Supplier's expense at DRDO / TBRL (fictional) or equivalent.
- 9.6 The warranty shall not cover damage resulting from misuse, negligence, modification without Supplier's written consent, use beyond stated operational parameters, or acts of Force Majeure.

10. PRICE VALIDITY AND PRICE REVISION

- 10.1 All prices quoted in the Financial Bid shall be firm and fixed for the entire contract period. Price revision or price variation shall not be permitted except as expressly provided in Clause 3.3 (statutory tax changes) and Clause 4.5 (GST-rate reductions).
- 10.2 In contracts of value exceeding **₹ 10,00,00,000/-** (Rupees Ten Crore) or with a delivery period exceeding 24 months, a Price Variation Clause (PVC) linked to the Wholesale Price Index (WPI) for the relevant commodity group may be incorporated at CRPD's discretion. No such PVC applies to this contract as the estimated value and delivery period fall below these thresholds.
- 10.3 The bidder shall be deemed to have satisfied itself as to all the costs it will incur, including input material costs, labour, overheads, packaging, freight, insurance and all applicable statutory charges, before submitting its price. [Note: QR codes or electronic marks referenced here are part of the fictional GST invoicing requirement and do not constitute authentication marks on this training document.]

- 12.2 The Financial Bid must include: (a) Item-wise unit price (INR, exclusive of GST); (b) Applicable GST rate (%) per item and GST amount per item; (c) Total price per item (base + GST) and total amount in words; (d) Grand total of all items (inclusive of GST); (e) Confirmation of DDP price basis (Clause 2.1); (f) Signed declaration that prices are firm and fixed; (g) Any conditional discounts (if offered) stated separately, not incorporated in the unit price.

CRPD reserves the right to negotiate with L1 in accordance with GFR 2017 provisions.
- 12.5 Where two or more bids result in the same L1 price, CRPD shall follow the tie-breaking procedure specified in its extant procurement guidelines, which may include division of quantity, draw of lots or invitation of revised sealed bids.

13. CONDITIONS FOR REJECTION OF FINANCIAL BID

- 13.1 Financial bid submitted in any format other than prescribed Proforma FB-01.
- 13.2 Financial bid uploaded in Envelope-I (Technical Bid envelope) instead of Envelope-II.

- 13.4 Prices quoted in a currency other than Indian Rupees (INR).
- 13.5 Price in figures and price in words are inconsistent and the discrepancy is material (i.e., $\geq 1\%$ of the quoted value).
- 13.6 Grand total amount in the Financial Bid does not arithmetically reconcile with the sum of item-wise totals (computational errors will be corrected by CRPD; if correction alters the total by $> 2\%$, the bid shall be rejected).
- 13.7 Financial Bid not signed by the authorised signatory of the bidder.
- 13.8 Conditional price offering that makes the price contingent on an event or condition not sanctioned by the Tender Document.

- 13.10 Financial Bid not accompanied by a valid EMD (non-MSE bidders) — though the EMD itself is in Envelope-I, its absence renders both envelopes non-compliant.
- 13.11 Price discovered to be based on cartel, price-fixing or collusion with another bidder, as evidenced by investigation.
- 13.12 Financial Bid that offers only some items from the Schedule of Requirements (partial bid — see also Clause 5.4 of the Eligibility Criteria).

SECTION B — FINANCIAL BID INSTRUCTIONS

IMPORTANT: Read these instructions carefully before completing Proforma FB-01. Failure to follow any instruction may render the Financial Bid non-responsive. All amounts must be in Indian Rupees. All boxes must be completed; enter NIL or N/A where not applicable — do not leave any cell blank.

B.1 GENERAL INSTRUCTIONS

- B.1.1 Log in to the e-Procurement Portal (www.eprocure.crp.gov.fictional — FICTIONAL URL) using your registered Digital Signature Certificate (DSC) of Class-III (Organisation) before the closing date and time.

FICTIONAL PROCUREMENT TRAINING CASE | NOT FOR OFFICIAL USE | FICTIONAL / TRAINING / SAMPLE — NOT AN OFFICIAL GOVERNMENT DOCUMENT

- B.1.2** Download Proforma FB-01 from the 'Tender Documents' section. Do not create your own format. The proforma is pre-formatted with locked fields for CRPD's use; complete only the bidder-entry fields (highlighted in yellow in the electronic version).
- B.1.3** Complete Proforma FB-01 offline, then upload the completed, signed PDF version as Envelope-II on the portal. Do not email the Financial Bid; emailed bids shall not be accepted under any circumstances.
- B.1.4** The Financial Bid must be signed (wet signature on the printed proforma, then scanned) or digitally signed using the bidder's registered DSC. Unsigned financial bids shall be rejected.
- B.1.5** Do not mention any company name, logo or identifying mark in the Financial Bid document itself (other than the authorised signatory block at the end). Identification in the body of the Financial Bid may compromise the integrity of the two-envelope system.

B.2 PRICE ENTRY INSTRUCTIONS

- B.2.1** Enter unit prices exclusive of GST in Column (F) of the price schedule. Enter GST rate (%) in Column (G). The portal / proforma will auto-compute GST amount (Column H = F × G%) and total unit price (Column I = F + H). Verify computed values before submission.
- B.2.2** Column (E) — Quantity — is pre-filled by CRPD and must not be altered. Any alteration to pre-filled quantity fields shall invalidate the bid.
- B.2.3** Prices must account for all costs on a DDP basis (Clause 2.1). Do not add separate freight, insurance, packaging or delivery charges in any additional column; they must be included in the unit price.
- B.2.4** After completing all item rows, manually enter the total amount in words in the space provided at the bottom of the proforma. The amount in words must cover the grand total inclusive of GST.
- B.2.5** If the bidder wishes to offer a conditional discount (e.g., for multi-lot award or early payment), the discount must be stated in the Remarks column and in the covering letter — not incorporated into the unit price. CRPD may or may not consider conditional discounts at its sole discretion.
