

FICTIONAL PROCUREMENT TRAINING CASE | NOT FOR OFFICIAL USE | FICTIONAL / TRAINING / SAMPLE — NOT AN OFFICIAL GOVERNMENT DOCUMENT

CENTRAL RESERVE PROCUREMENT DIRECTORATE
MINISTRY OF HOME AFFAIRS, GOVERNMENT OF INDIA

OFFICE OF THE DIRECTOR GENERAL (PROCUREMENT) | LODHI ROAD, NEW DELHI — 110 003

TECHNICAL COMPLIANCE STATEMENT

Tender Reference: **CRPF/PPE/2026/001** | Procurement of Protective Equipment and Associated Technical Supplies

Document No.: **CRPD/TECHCOMP/2026/PPE/A6** | Version 1.0 | 15 September 2026

This document is a **FICTIONAL / TRAINING / SAMPLE** document created exclusively for testing an automated tender-evaluation system. All specifications, thresholds and reference numbers are illustrative only. **NOT AN OFFICIAL GOVERNMENT DOCUMENT.**

The bidder shall complete Columns (D), (E) and (F) below against each tender requirement listed in Column (B) and (C). A separate compliance statement shall be submitted for each item / model offered. Any requirement marked “No” in Column (E), or left blank, shall be evaluated as non-compliant for that parameter, and may render the bid liable to be treated as non-responsive at the discretion of the Technical Evaluation Committee.

(A) Sr. No.	(B) Tender Requirement	(C) Minimum Specification	(D) Bidder Offered Specification	(E) Complied (Yes/No)	(F) Supporting Document Reference
1	Anti-Riot Helmet — Overall Weight (complete with liner, visor and chin strap)	Shall not exceed 1.4 kg per unit (numeric / unit parameter)			
2	Anti-Riot Helmet — Ballistic Certification	Valid certification to NIJ 0106.01 Level IIIA or equivalent recognised ballistic standard (certification requirement)			
3	Ballistic Body Armour Vest — Ballistic Protection Level	NIJ 0101.06 Level IIIA equivalent (or higher), covering 9 mm and .44 Magnum threat levels (technical parameter)			
4	Ballistic Body Armour Vest — Areal Density (front + back panel, combined)	Shall not exceed 6.5 kg/m² (numeric / unit parameter)			
5	Ballistic Body Armour Vest — Multi-Hit Capability	Minimum 6 hits to be withstood at a test velocity of 436 m/s ± 9.1 m/s without perforation (performance requirement)			
6	Fire-Retardant Overalls — Limited Flame Spread Index	Compliant with IS 15809 / ISO 15025 (Procedure A); Flame Spread Index ≤ 2 (certification / performance requirement)			
7	Fire-Retardant Overalls — Fabric Areal Weight	220 GSM ± 10 % (numeric / unit parameter)			
8	Protective Knee and Elbow Guard Set — Impact Force Transmission	≤ 6 kN as per EN 14120 Type B (technical / performance parameter)			
9	Lightweight Polycarbonate Shield — Dimensions and Thickness	600 mm × 900 mm × 4 mm , tolerance ± 5 % (numeric / unit parameter)			
10	Lightweight Polycarbonate Shield — Optical Light Transmission	Not less than 85 % light transmission (performance requirement)			
11	Warranty and Ballistic Performance Guarantee	Minimum 24 months standard warranty from date of acceptance; ballistic panels (Item 2) additionally backed by a 5-year ballistic-performance guarantee (validity requirement)			
12	Quality Management System Certification	Valid ISO 9001:2015 certification (or equivalent), current as on Bid Submission Closing Date and remaining valid for the entire contract period (certification / validity requirement)			

FICTIONAL PROCUREMENT TRAINING CASE NOT FOR OFFICIAL USE FICTIONAL / TRAINING / SAMPLE — NOT AN OFFICIAL GOVERNMENT DOCUMENT					
(A) Sr. No.	(B) Tender Requirement	(C) Minimum Specification	(D) Bidder Offered Specification	(E) Complied (Yes/No)	(F) Supporting Document Reference
13	Ballistic / Product Test Certificate Recency	Test certificate from a NABL-accredited (or equivalent internationally recognised) laboratory, dated not earlier than 24 months prior to the date of tender publication (validity requirement)			
14	Delivery Performance	Complete delivery within 90 calendar days of Supply Order issuance; part-deliveries, where permitted, not less than 25 % of contracted quantity per instalment (performance requirement)			

Note: Columns (D), (E) and (F) are to be completed by the bidder in respect of the specific make / model offered. Bidders are advised to attach copies of test reports, type-test certificates and datasheets referenced in Column (F) as annexures to this Statement, each cross-referenced against the corresponding Sr. No. above.

BIDDER CERTIFICATION

I / We hereby certify that the information furnished in this Technical Compliance Statement, including all specifications, test values and certification details declared against each tender requirement above, is true, accurate and complete to the best of my / our knowledge. I / We understand that CRPD reserves the right to independently verify any declaration made herein, including by requisitioning samples, arranging inspection, or seeking clarification from the certifying / testing authority named in Column (F), and that any statement found to be false, misleading or unsupported by evidence shall render the Bid liable to rejection, forfeiture of EMD / Performance Bank Guarantee, and debarment from future CRPD tenders, without prejudice to any other action available under law.
