Number of Financial Years	2023-24, 2024-25, 2025-26	3
Average Annual Turnover	₹20.80 Crore ÷ 3	₹6.93 Crore ₹6,93,33,333.33

Note: 1 Crore = ₹1,00,00,000 (Indian numbering system). The average is rounded to two decimal places in Crore; the full figure is shown to two decimal places in rupees.

C. Basis of Certification

- The figures above are taken from fictional test ledger summaries and fictional GST return summaries prepared for testing purposes.
- Turnover means the aggregate value of outward supplies for the financial year, excluding taxes, as recorded in the fictional test records.
- No real books of account, bank statements or tax filings of any real entity were examined, and no audit or verification of real records has been carried out.

The figures stated in this certificate are based on fictional test records and do not represent the financial position of any real business.

Certificate issued for software testing / training purposes.
